Report of Seminar on “Advantages and Disadvantages of Social Media”

Library Activity 2019-20

It's evident that Social Media tools are very useful for everyone and offers an effective platform to express, share and collaborate, but having connected continuously and engaging with social media affecting individual's health, productivity, relationships particularly young generation.

To discuss the pros & cons of social media, VIVA College Library organized a Seminar on **“Advantages and Disadvantages of Social Media”** for students and staff members.

The seminar was held on 25th August 2019 in the library reading room. Mr. Brijesh Joshi and Mr. Sandesh Akare, from the Department of IT were invited to speak on a different aspects of social media and its advantages & disadvantages.

Two students viz., Mohak Vartak and Abhishek Singh also shared their experiences of American Resource Centre Cyber Security workshop which they attended on 31st July 2019.

Glimpses of the seminar

“Anandyatra- Celebrating Centenaries”

Library Activity 2019-20

The VIVA Library Celebrates “Anandyatra” Centenaries of P.L. Deshpande, Sudhir Phadake, & G.D. Madagulkar on 20th September 2019. On this occasion, Library organized skit, Kathakathan, Video screening in memory of P.L. Deshpande, Sudhir Phadake, & G.D. Madagulkar renowned Marathi personalities. Theme-based Book exhibition was conducted and books related to these personalities were displayed.

The event was well received and appreciated by students and staff.

Articles

- Rethinking India's Approach to China's BRI
India should leverage China's new focus on the Belt and Road Initiative in order to transform South Asia's geo-economic landscape. – BY Zorawar Daulet Singh - Page 10
- Exploring the Markers of Differential Access to PDS
The differential access to the public distribution system in India is explored by analyzing the heterogeneous class, caste and gender positioning of beneficiaries, the concept of "effective prices," and the quality of grains and services. – BY Mamata Pradhan, Devesh Roy – Page 13
- A Country in Search of an Education Policy
Some of the relevant concerns in the draft National Education Policy 2019 around the question of provisioning for good quality universal education are examined.– BY Praveen Jha, Pooja Parvati - Page 17
- Basic Blunders and Fundamental Flaws
The draft National Education Policy 2019 suffers from deep-seated flaws like disempowerment of states, retreat from RTE Act and social empowerment, while providing patients a peer's caring and supportive assistance. – BY Vivek Monteiro - Page 20
- Peer Support in Mental Healthcare
"Peers" are a resource that can be tapped into for supporting people in the mental health system, offering the peers financial and social empowerment, while providing patients a peer's caring and supportive assistance. – BY Prateeksha Sharma - Page 27
- Ageing Large Dams and Future Water Crisis
The consequences and probable remedies of the crisis stemming from the more than 4,000 ageing large dams, which are the blind spots of India's water policies, are analysed. – BY J Harsha – Page 37
- Fiscal Challenges in Scaling Up Nutrition Interventions

An analysis of the delivery of direct nutrition interventions in four states underscores the need for enhancing fiscal priority for these interventions. – BY Saumya Shrivastava, Nilachala Acharaya - Page 43

➤ Middle-class Women's Labour Migration in Post-liberalised Cities

The patterns and trends of urban migration of middle-class women through the period pre and post-liberalisation and the socio-economic correlates of their contemporary migration are investigated. – BY Tina Dutta, Annapurana Shaw – Page 55

➤ Construing the Indian Middle-class Ideology

Most Hindi film stories revolve around affluent Indians and endorse the social, religious and cultural values of the Hindu middle class, thus trying to construct a new form of nation and nationalism that is not fully inclusive. – BY Amit Ranjan – Page 65

➤ Socialism in Dead, Long Live Socialism

Cuba's self-managing cooperatives, the preferred instruments for its transition to 21st century socialism, have a fair chance of success, but uncertainties exist with respect to the project of "downsizing the state." – BY Joseph Tharamangalam – Page 73

➤ Agrarian Potential of In-Situ Water Harvesting

A case study of farm ponds in Jharkhand finds the contribution of these in increasing the agrarian surplus, but that its financial viability is scale-dependent with ponds of only a certain size. – BY Nirmalya Choudhury, Megha Mukherjee – Page 80

➤ Birth of Democracy and the Death Knell of Capitalism

A response to "Death of Democracy: An Inevitable Possibility under Capitalism." (EPW, 25 August 2018) – BY Abid Firdausi M S, Siddik R – Page 86

➤ Postscript

Francis Kuriakose on a Pondicherry that is slowly disappearing with the onset of rapid development; Suvij Sudershan on the depiction of middle-class anxiety in the films of West Bengal's most prolific auteurs; and Last Lines by Ponnappa - Page 89

Articles

➤ Tribal Politics in Jharkhand

The realization that the interest of tribes does not lie in division but in forging an alliance, opens up the space for an alternative political path in Jharkhand. – BY Virginius Xaxa – Page 10

- A New Development Model for the New Economy
The role of the government is to not only be a more effective provider of learning and health, but also an agent for greater access to opportunity and changing patterns of ownership at all levels. – BY Avinash Persaud – Page 12
- Agro-biodiversity as a Resource
It is important to move away from an exclusive focus on techno-fixes when dealing with climate change. – BY Suman Sahai – Page 14
- Destitute Thinking
Ethical impoverishment, Aniket Jaaware's Practising Caste: On Touching and Not Touching tells us, is a precondition and the initial form of new thinking and living. Destitution prepares the ground for inventing new forms of sociality. – BY Udaya Kumar – Page 17
- Just Us
Rejecting the politics of identity and victimhood, Practicing Caste articulates the politics of radical narcissism of a "just us" that tries to disinherit the knowledge received from the classical Sanskrit texts, philosophy, sociology and anthropology. – BY Sanil V – Page 19
- Aesthetics of a Text
Aniket Jaaware's text has an aesthetic of simplicity of thought and language, removing the moral coercion that forces one to refer to the scholarly work of the "Academic Aakas" or the little gods of academia. – BY Gopal Guru – Page 23
- Amalgamation of Existing Laws or Labour Reform ?
A close reading of the Draft Labour Code on Social Security, 2018 suggests that neither have redundant provisions been removed, nor existing ones overhauled to make employment benefits available in a more effective manner. – BY Santanu Sarkar – Page 33
- Kuki Perspective on Migration
The Kuki's unique pattern of migration is described and the formulation of a "wave model" of all migration taking place in a similar pattern is attempted. – BY Haoginlem Chongloi – Page 38
- How Much Public Debt Is Too Little ?
The entire literature on public debt is on determining "how much is too much." However, both the level and composition of public debt should be considered while framing fiscal rules. – BY Pranab Sen – Page 89
- Corporate Governance in Banks in India
While several committees have examined ways to improve corporate governance in banks in India, an attempt is made to prepare a benchmark index for the board composition of corporate governance. – BY Rekha Misra, Anwesha Das – Page 96
- Gold Jewellery Making and Migrant Labour force in Kerala

Resorting to a labour process framework, the process of recruitment and the composition of the workforce in the gold jewellery market in Kerala is elucidated. – BY Sumeetha M – Page 106

➤ Beyond Marx, the Enduring Legacy of Lenin

The “Organisation question” is faced by those whose goal is to carry out the project of reducing various human relations of oppression while establishing an ecologically stable balance between human society and nature. – BY Achin Vanaik – Page 114

➤ No Breather for Food Subsidy Bill

The inferences made in “Price Deficiency Payments and Minimum Support Prices: A Study of Selected Crops in India” (EPW, 19 May 2018) by T Hawue and P K Joshi about why price deficiency payment schemes will not reduce the food subsidy bill are debated. – BY Sudhakar Gummula – Page 122

➤ Harvest of Uteruses

Women workers face multiple reproductive health problems due to the back-breaking work and poor sanitation and hygiene condition in Maharashtra’s sugar belt, where private healthcare facilities provide unnecessary and extreme treatments, including the removal of their wombs. – BY Abhay Shulka, Seema Kulkarni – Page 10

➤ Universal Basic Cash

A critique of the notion of universal basic income is presented, using a basic microeconomic model, while the consequences of the monetary authority’s golden rule of consumption for work, saving and investment are ambiguous and the price level is indeterminate. – BY Romar Correa – Page 14

➤ Why India Needs a Crime Victimization Survey

To be effective, policies on sexual violence against women must be evidence-based, for which a national crime victimization survey supplementing the National Crime Records Bureau could be used for further research. – BY Nithya Nagarathinam – Page 23

➤ Debating the ‘After’ of Subaltern Studies

The exchanges between Partha Chatterjee and Dipesh Charkarbarty of the erstwhile Subaltern Studies group on its relevance in contemporary times signify a conflicting

understanding of how the “after” of Subaltern Studies is to be conceived. – BY Ngoru Nixon – Page 27

➤ Has Disability Risen among the Elderly in India?

An analysis of disability among the elderly and its covariates during 2005-12 is provided using data from two rounds of the nationally representative India Human Development Survey, conducted in 2005 and 2012. – BY Veena S Kulkarni, Vani S Kulkarni – Page 83

➤ Degraded Labour, Automation and Information Technology

The idea that skill degradation is one of the means by which capital ensures there is continued division and internal conflict of labour as well as labour competition with automated systems is explored through the lens of Harry Braverman’s seminal work. – BY Jamshed Sheriyarji – Page 92

➤ Innovations in Public Administration in India

The state of innovation in public service and administration in India is analysed through the Prime Minister’s Awards for Excellence in Public Administration for the period 2005-06 to 2016-17, indicating some degree of direction in good governance and replicability. – BY Dipti Gupta, Ashok Kumar Pandey – Page 100

➤ The Bru-Mizo Conflict : A Rejoinder

This rejoinder to Shyamal Bikash Chakma and Suraj Gogoi’s article, “ The Bru-Mizo Conflict in Mizoram” (EPW, 3 November 2018) questions their treatment of the question over historical depth, as well as the inaccurate and incomplete representation of facts and silencing of the “victim” voice. – BY Roluahpuia – Page 111

➤ Postscript

Shruti Sonal on the continuing relevance of Chimamanda Ngozi Adichie’s Half of a Yellow Sun; Sujit Kumar Mishra on the depiction of community-level adaption to drought in Sala Budha; and Last Lines by Ponnappa – Page 117

➤ The True Dangers of the RTI (Amendment) Bill

The Right to Information Act, 2005 has caused controversy around the Central Information Commission being weakened, arising not purely because of the text of the

law, but the absence of proper justification for the amendments. – BY Alok porasanna Kumar – Page 10

➤ Fourth Industrial Revolution

The technology-driven revolution is fundamentally affecting the relationship between capital and labour, driving right-wing populism across the globe, while the left has remained a laggard. – BY Atul Bhardwaj - Page 12

➤ Challenges for Protected Area Management in Sariska

Both the immediate and long-term causes of tiger mortality in Sariska, particularly in the context of the larger challenges surrounding protected area management in India, are explored. – BY Ghazala Sahabuddin – Page 15

➤ Draft Emigration Bill, 2019 : The Missing Links

For the draft Emigration Bill, 2019 to be truly effective, it needs a rights-based approach in inclusive of all Indian migrants abroad. – BY S Irudaya Rajan, Varun Aggarwal – Page 19

➤ An Academic's Response : Draft National Education Policy, 2019

The acceptance of the draft National Education Policy in its current form may prove disastrous with the increased political control over and undermining of the autonomy of educational institutions. – BY Rowena Robinson – Page 28

➤ Unmoved by Stability : Capital formation in the Modi Economy

The Narendra Modi government actively pursued macroeconomic stability and a business-friendly regulatory framework, but the investment rate of the economy has actually slid. – BY Pulapre Balakrishnan – Page 33

➤ Elementary Education in 19th-century Bengal

In order to analyse the educational policy of 19th-century Bengal, the changing notions of British imperialism and the educational development of contemporary Britain should be studied and evaluated critically. – BY Shankar Prinja, Atul Sharma – Page 45

➤ China's Higher Education System

The operation of the contrary forces of diffusion and control in China's higher education system is critically examined, highlighting the distinctiveness of China's internationalization of higher education. – BY Romi Jain – Page 55

➤ Neighbourhood-scale Residential Segregation

Using enumeration block-level census data from 2011 for five major cities in India- Bengaluru, Chennai, Delhi, Kolkata and Mumbai – it is shown how patterns of caste-based urban residential segregation operate in contemporary India. – BY Naveen Bharathi, Deepak Malghan – Page 64

- **BJP's Southern Comfort : Success in Karnataka**
Caste calculus and ground-level chemistry had an adverse impact on the Congress-Janata Dal (Secular) alliance and led to the Bhartiya Janata Party recording its best ever victory in Karnataka. – BY Sandeep Shastri, Veena Devi – Page 10
- **Moving towards Single-party Dominance in Rajasthan**
The recent sweep by the Bhartiya Janata Party in the Lok Sabha elections from Rajasthan is located in the wider context of the electoral politics of the state. – BY Sanjay Lodha, Nidhi Jain - Page 13
- **A New Trajectory of Politics in West Bengal**
The National Election Study 2019 data is used to explain the rise of the Bhartiya Janata Party in West Bengal and the eclipse of the Congress and the Left Front. – BY JyotiPrasad Chatterjee, Suprio Basu – Page 16
- **Failure of the Mahagathbandhan**
In the 2019 Lok Sabha elections in Uttar Pradesh, the Samajwadi Party, Bahujan Samaj Party and Rashtriya Lok Dal's alliance took on the challenge against the domination of the Bhartiya Janata Party. – BY Mirza Asmer Beg, Shashikant Pandey – Page 21
- **Reinforcing Dravidian Identity Politics in Tamil Nadu**
The Lok Sabha election results in some ways indicate the reassertion of Dravidian identities and the key role of the Dravidian parties in the politics of Tamil Nadu. – BY P Ramajayam – Page 24
- **Community-led, Heritage-linked Development**
While the Andhra Pradesh government's efforts to build a new capital city, Amaravati, is in national focus, a government scheme to preserve a nearby village's heritage is floundering. – BY Anubhav Pradhan – Page 31
- **Wage Differences between the Immigrant and Local Labourers**
The wage determinants of immigrant and local labourers in Kerala's construction sector exhibit varied intensity in influencing their wage and wage gap, necessitating a revisit of labour laws and wage policies. – BY K C Baiju, Shamna T C – Page 35
- **Utilisation of Maternal Healthcare Services in Bihar**
Based on National Sample Survey Office data, the impact of the National Health Mission on improving utilization of maternal healthcare services in Bihar is critically evaluated. – BY Saswata Ghosh, Zakir Husain – Page 44
- **Redesigning the Fiscal Transfer System in India**

With an overwhelming proportion of the poor living in low-income states, the provision of comparable levels of basic social services and physical infrastructure is important to ensure balance and stability in the Indian federation. – BY M Govinda Rao – Page 52

➤ What Eventually Emerged from the Emergency ?

The reviewer of Gyan Prakasha's book *Emergency Chronicales : Indira Gandhi and Democracy's Turning Point* replies to the author's disagreements with his review ("A Road Map of Change in Democracy,": EPW, 22 June 2019). – BY Arvind Rajagopal – Page 61

➤ Reading and Misreading Marx : a Review of a Review

A response to "The Other Marx" (Murzban Jal, EPW, 26 January 2019) a review of the book *Marx at the Margins : On Nationalism, Ethnicity and Non-Western Societies* (2010) by Kevin Anderson. – BY Aakanksha Baruah, Sheena Jain – Page 64

➤ Code on Wages and the Gig Economy

The Code on Wages, 2019 is a missed opportunity to update the definition of “employee” in the context of the rise of the ‘gig economy.’ – BY Alok Prasanna Kumar – Page 10

➤ Climate Change and the Yellow Vest Movement

When many parts of the world seem to be on the right-wing populist trajectory, any organized or deliberately non-organised movement can set off changes and effects in different and unexpected ways. – BY Zaheer Baber – Page 12

➤ Decisive Vote for UDF in Kerala

The anti-incumbency wave against the National Democratic Alliance government at the centre and the Left Democratic Front government's hasty decision to implement the Sabarimala verdict influenced the election outcome in Kerala. – BY K M Sajad Ibrahim – Page 16

➤ Electoral Response to the Citizenship (Amendment) Bill

An examination of survey data is undertaken to understand why the Citizenship (Amendment) Bill issue did not affect poll fortunes of the Bhartiya Janata Party in the North East. – BY Amongla Jamir, R K Satapathy – Page 19

➤ Assam 2019: NDA Deepens Its Dominance

The 2019 elections were seen as a litmus test for the Bhartiya Janata Party in terms of retaining its base among the state's indigenous communities that were bitterly opposed to the Citizenship (Amendment) Bill. – BY Dhruba Pratim Sharma – Page 23

➤ Explaining the BJP's Comprehensive Victory in MP

The 2019 Lok Sabha elections in Madhya Pradesh took place against the backdrop of the assembly elections on 2018, wherein the Bharatiya Janata Party put up an extraordinary performance. – BY Yatindra Singh Sisodia – Page 26

➤ Easing Mumbai's Suburban Train Congestion

An integrated approach is suggested, wherein non-motorised transport infrastructure can take the load off Mumbai's suburban system by weaning short-distance travellers away from it. – BY Vineet Abhishek – Page 34

➤ Technology and Society

Five articles offer an insight into the nature of a nation-centred techno-social visioning process.

➤ India's Green Revolution and Beyond

The envisioning of India's green revolution as the success model for all agrarian futures is based on a selective understanding of India's agrarian past as backward and needing redemption. – BY Richa Kumar – Page 41

➤ India as a Reluctant Leader in Agroecological Research

The case of the System of Rice Intensification highlights the barriers to a sustainable transition from the green revolution to an agroecological paradigm. – BY C Shambu Prasad – Page 49

➤ The Fight against Mosquitoes

Though controversial, the advanced biological control approach has re-emerged as a strong alternative and is shaping the trajectory of technological change in the fight against mosquitoes. – BY Mahendra Shahare – Page 57

- Visions, Technologies, Democracy and the Citizen in India
“Technology Vision 2035,” developed by the Technology Information, Forecasting and Assessment Council, claims to identify key challenges and needs of India and describe its technology capability landscape in 2035. – BY Pankaj Sekhsaria – Page 64
- Democratic Visioning in the Vikalp Sangam Process
The process of Vikalp Sangam (Alternatives Confluence) involves visioning of an ideal built on grounded initiatives, spanning the full range of alternative approaches to justice, equality and sustainability. – BY Ashish Kothari – Page 70

Report of Seminar on “Advantages and Disadvantages of Social Media”

Library Activity 2019-20

It's evident that Social Media tools are very useful for everyone and offers an effective platform to express, share and collaborate, but having connected continuously and engaging with social media affecting individual's health, productivity, relationships particularly young generation.

To discuss the pros & cons of social media, VIVA College Library organized a Seminar on “**Advantages and Disadvantages of Social Media**” for students and staff members.

The seminar was held on 25th August 2019 in the library reading room. Mr. Brijesh Joshi and Mr. Sandesh Akare, from the Department of IT were invited to speak on a different aspects of social media and its advantages & disadvantages.

Two students viz., Mohak Vartak and Abhishek Singh also shared their experiences of American Resource Centre Cyber Security workshop which they attended on 31st July 2019.

Glimpses of the seminar

“Anandyatra- Celebrating Centenaries”

Library Activity 2019-20

The VIVA Library Celebrates “Anandyatra” Centenaries of P.L. Deshpande, Sudhir Phadake, & G.D. Madagulkar on 20th September 2019. On this occasion, Library organized skit, Kathakathan, Video screening in memory of P.L. Deshpande, Sudhir Phadake, & G.D. Madagulkar renowned Marathi personalities. Theme-based Book exhibition was conducted and books related to these personalities were displayed.

The event was well received and appreciated by students and staff.
