Mendeley Workshop

VIVA College library organized a dynamic Mendeley workshop on July 1, 2022, tailored for its faculty members. The workshop, emphasizing hands-on learning, attracted 34 enthusiastic participants. During the interactive sessions, participants gained practical insights into Mendeley's reference management tools, citation features, and collaborative functions. The event also included a participation certificate distribution to each attendee, recognizing their engagement and commitment. This initiative aimed to empower faculty with efficient research practices, enhancing their academic productivity.

Feedback from participants underscored the workshop's success in imparting valuable skills and boosting confidence in Mendeley utilization. By providing an avenue for practical exploration and active participation, the workshop achieved its goal of equipping faculty members with tools to streamline research workflows and foster scholarly excellence.

Guru Poornima Theme-Based Books Exhibition

From July 13th to July 15th, 2022, a captivating theme-based books exhibition was organized at our institution in celebration of Guru Poornima. The chosen theme, "Biographies and Autobiographies," aimed to inspire, educate, and commemorate the lives of notable individuals.

The event garnered an enthusiastic response from students, faculty, and staff alike. Attendees explored a diverse collection of biographical and autobiographical works, delving into the life stories of remarkable personalities from various fields. The exhibition featured engaging displays, interactive sessions, and thought-provoking discussions that brought the subject matter to life. Feedback from participants was overwhelmingly positive. Students expressed gratitude for the insightful exposure to real-life stories, which they found inspiring and motivating. Faculty and staff appreciated the thoughtfulness of the theme, recognizing its potential to impart valuable life lessons.

The exhibition successfully accomplished its objective of fostering a deeper understanding of the lives and struggles of prominent individuals. It provided a platform for introspection, learning, and personal growth, aligning perfectly with the spirit of Guru Poornima.

Articles

- Politics of Knowledge
The Parallel coexistence of central and provincial spheres in education has a visible functional role but a less visible political and an even less visible sociocultural role. Several decisions announced since the beginning of 2022 enable us to observe these disparate and simultaneous role. – BY Krishna Kumar – Page 10
- Decolonising Decentralised Governance
This article describes three cases from Maharashtra Where bureaucratic overreach has impeded emerging forest management by forest dwellers holding community forest resource rights. It reflects on the need for changing the prevalent colonial mindset in the bureaucracy to facilitate genuine decentralized democratic governance. – BY Anuja Anil Date, Sharachchandra Lele – Page 12

➤ Dynamics of Being Rajbanshi

The transition from tribe to caste has remained a contested phenomenon in India. This complex transition is addressed in this article in the context of the Rajbanshi identity, highlighting the various intricacies involved. The frame of retribalization questions the simplistic tribe-to-caste narrative and reiterates the Rajbanshi's consistent efforts to consistent efforts to embrace generic roots left in the past to bargain with the wider society. – BY Gautam Chandra Roy – Page 16
